Rita's Rainbows is pleased to be able to share these wonderful products from Shaklee. Every time you purchase these eco-friendly products you're helping Rita's Rainbows to change children's lives for the better. Please read further to check out how the program works or visit RITASRAINBOWS.MYSHAKLEE.COM

Now you have the power to help Rita's Rainbows every time you make a purchase by redirecting your choices to Shaklee non-toxic cleaners and health product alternatives. In turn, Rita's Rainbows receives income from the sale of every product made directly from the Shaklee online store. It's that simple.

How the Program Works (RITASRAINBOWS.MYSHAKLEE.COM)

1. Shaklee provides this FREE online store for you and other members and friends of our organization to purchase Shaklee high quality products.
2. You redirect your monthly spending for household, beauty, and health care products for your home and your family so our nonprofit benefits from your purchases. All products are backed by an unconditional, money-back guarantee.
3. Your purchases from our online store, now and in the future, will provide a sustainable source of fund raising income for our nonprofit.
4. There is no conflict of interest, no risk. Just a sustainable, long-term way to support our nonprofit with ongoing income. And your satisfaction is unconditionally guaranteed!
